

### REMARKS

The present application has been allowed and issue fees has been paid. The above amendments have been made to delete original Figures 6 and 7 embedded in the specification. Following the Rule 312 amendment filed March 15, 2006, original Figures 6 and 7 were relabeled as Figures 7 and 8. Thus, the redundant Figures 6 and 7 embedded in the specification are cancelled in the present amendment. No new matter is presented by this amendment.

Applicants respectfully submit that this amendment is filed after the payment of the issue fee. However, since this amendment is to correct inconsistency between the drawings and the specification noted by the Office of Patent Publication, Applicants respectfully request entry and consideration of the amendments pursuant to 37 C.F.R. § 1.312 and M.P.E.P. § 714.16(d).

Pursuant to 37 CFR § 1.136(a)(3), the Commissioner is authorized to charge all required fees, fees under 37 CFR § 1.17 and all required extension of time fees, or credit any overpayment, to Jones Day U.S. Deposit Account No. 50-3013 (order no. 949677-999032).

Date: September 26, 2004

Respectfully submitted,

56,056
